KV SPIRIT AWARD

The “KVMHA Spirit Award” recognizes a deserving 3rd year midget player and considers the player’s personal growth as displayed over their entire minor hockey ‘career’, not just the current season. “The player must be one, who has a passion for the game of hockey and provides leadership to teammates; who demonstrates respect for the rules of the game, opponents, teammates, coaches, officials, and fans; and who displays good sportsmanship and maintains a positive attitude on and off the ice. In short, the “KVMHA Spirit Award” will recognize a ‘graduating’ player who exemplifies the characteristics that KVMHA wishes to instill in all our players as they develop into young adults and the future of our community
