AGENDA TOPICS

Purchase of New Jerseys | Presenter *Glenn Piercy, Director of Revenue*

Discussion Conversation

Glenn proposed the purchase of 280 new jerseys at a total cost of \$22,121.40. The new sets will be purchased from Rink side sports in Quispamsis and will outfit 7 of our competitive teams with 20 jerseys per team. 3 - U11, 3 - U13 and 1 - U15. KVMHA has secured sponsorship for 120 of these through some local business. Rinkside is also looking to donate a set if they are allowed to place a small manufacturer logo on the lower back of all 280 jerseys. I would like to discuss this to be sure everyone is okay with this logo sponsorship.

The jerseys are created via sublimation. Meaning the logo and numbers are all printed into the jersey at the time of creation. This means that there is no screen printing required and the logo and numbers will not crack or peel.

KVMHA has received sponsorship from several companies to help off-set the portion of cost to-date. Sponsors to date are: **Coldwell Banker Realtors, Papadopoulos Orthodontist, Clow Canada, Rink Side Sports**

After debriefing with all attending Board Members in attendance (listed above), a vote was taken. The voting results were unanimous in favour of purchasing the jerseys.
