Affiliation must be identified in the HCR prior to the player being used in a game, no later than January 15.

Players shall be permitted to affiliate with only 1 team

First year players in a division may affiliate to a higher category within their division. Second year players in a division may affiliate to a higher category within their division or to the next division.

In the U15 and U18 divisions, players may affiliate to a higher category within their division, or a higher division.

Additionally, first year or second year female players in a division may also affiliate to a higher female category within their division or to the next female division.

The NBMHC shall not allow rostered development players to play as affiliate players for competitive level teams. Rostered competitive AA, A, B level players may not play as affiliates for 'C' level teams. 6.8.13

Players may affiliate to a higher division or category (i.e. B to A, A to AA) provided the teams are not playing in the same league schedule.

Players rostered to 'C Level' teams can only affiliate to competitive level teams within their same community club. Should the community club not offer a competitive team in that division, the player may affiliate to a competitive team in a neighboring community club. On a case-by-case basis and at the discretion of the area's District Director; a competitive level player whose association does not have a competitive team in a higher category, may grant permission to affiliate from a competitive team to a "C" team in a higher division.
