

What to do if abuse is disclosed?

- You can ask the child/player follow-up and/or clarifying questions - including who is hurting them and how!
- Take notes if possible.
- Call Social Development (regional office) at 1-888-733-7835 (press one for English OR 2 for French - then 1 for reporting abuse).
- Have at the ready player's address, D.O.B., Parent Contact Info and Details of the alleged incident(s).
- You are legally allowed to disclose this information to Social Development.
- Make this call as soon as possible.
- If you believe the player is in immediate risk of harm from the parent/relative, etc. -call 911.
