Include any skills or experience you have to offer the KVMHA Board of Directors.

I have been a long-standing coach for KVMHA from u7 - U15. Over the past decade I have volunteered in any capacity needed to insure KVMHA children and families have amazing experiences on and off the ice. I have recently become Director of Compleitive Hockey – a position I take very seriously and wish to continue in this capacity for KVMHA. I am re offering for an additional 2-year term. My first term in this position brought several changes to the competitive process, including adding additional ice evaluators, improving the evaluator to player ratio for more accurate data, a committee to review data as a group. Clear rules around promoting a non-bias environment for player evaluation – (ie no parent evaluators) and finally allowing families into the rink to observe the tryout process. While far from perfect, I feel these changes brought fairness, and more accuracy to the process. I feel there are more changes to be implemented and will work with my committee to continue to improve on the process. Thank you for your support. Coach Troy
